VISUAL FACILITATION:

I create live, on-the-spot, painted interpretations of talks, projecting my original artworks on a big screen. All paintings are digital, and are available to delegates at the end of the event.

PRICING FOR VISUAL FACILITATION:

8-hour day: R12 450 (US\$1 245, GB£845, €945).
4-hour half-day: R7 950 (US\$795, GB£535, €595).
Up to 2-hours: R4 470 (US\$445, GB£295, €335).

All live visual facilitation prices exclude Travel & Accommodation. (Outside of a fifty km radius of Johannesburg.) A fifty percent deposit is required on booking, and the balance is payable before the event commences.

ANIMATED SUMMARIES:

I produce custom-made animated caricatures which deliver summaries in the speaker's own voice. These movies make ideal promos to put on your website. They're also excellent as client giveaways.

PRICING FOR ANIMATED SUMMARIES:

A base-price of R7 450 (US\$745, GB£495, €560) plus R740 (US\$77, GB£47, €57) per running minute.

ILLUSTRATIONS & ART PRINTS:

Almost all of my existing illustrations are available online for free download under a Creative Commons 'Attribution, Share-Alike' License. However, if you'd like a custom illustration, or you'd like me to create a signed-art-print, that will incur a fee.

Custom-created illustrations are all made digitally, at high resolution. All pics will safely print out at A2 size or larger. Illustrations are supplied to clients electronically, via the free internet-based service, YouSendIt.com.

PRICING FOR ILLUSTRATIONS:

A base-price of R970 (US\$97) per illustration.

PRICING FOR ART PRINTS:

This varies according to the client's need, the country to be shipped to, and the size of the print. Please email me directly for quotes. roy@royblumenthal.com.
